CAD IT is at the head of a group that represents one of the most dynamic organisations in the Italian Information Technology sector.

The group aims its operations at the banking-insurance sector, the business world and public administration, and has been offering software solutions, maintenance, customizing, integration and other correlated services, from application management to outsourcing, from consulting to training.

The CAD IT group works in Italy by means of its own branches and related companies. The Group's head offices are in Verona, related companies are in Milan, Rome, Prato, Bologna, Padua and Mantua.

CAD IT has put into practice and maintains a quality management system in accordance with the UNI EN ISO 9001:2008 norm for activities concerning the design, production and sale of "component-based" software and for their after-sales services and maintenance.
